Record of Decision Lake Mary Ronan State Park

Montana Fish, Wildlife & Parks (FWP), Region One, has completed an environmental assessment (EA) for Lake Mary Ronan State Park (T25N, R22W, Lake County) for the purpose of extending the power and water lines. FWP finds Alternative 2, as set forth in the draft EA and record of decision (ROD), to be the preferred alternative.

There were no changes to the draft EA; therefore, the draft becomes the final EA. Copies of the ROD are available at FWP headquarters, 490 N Meridian, Kalispell; Montana State Library, 1515 E 6th Ave., Helena; the Flathead County Library, 247 First Ave. E, Kalispell, and Polson City Library, 2 First Ave. E, Polson; and the FWP web site at fwp.state.mt.us.
